

JOSHUA BURNELL  
TOURING INFO / RIDER

Thank you for booking us to play at your venue! Our aim is to create a positive, relaxed atmosphere wherever we work. We want the show to run as easily and efficiently as possible for you and we want to leave every audience member feeling delighted.

**Who We Are**

TRIO

In the trio configuration, we usually travel as just the three of us: **Nathan Greaves, Frances Sladen** and **Joshua Burnell**. Sometimes we travel with a photographer or roadie but will let you know in advance if this is the case.

FULL BAND

If you have booked the full band, there are usually 7 of us: **Joshua Burnell, Nathan Greaves, Frances Sladen, Ed Simpson, Kat Hurdley, Oliver Whitehouse** and photographer **Robert Mitchell**. On occasion, we have 2-3 extra helpers to assist with carrying the large amount of gear.

**Tech Spec**

Please make sure you have the latest tech spec downloaded directly from [my website](#). If you were emailed a tech spec, it is possibly an old one so it may be worth deleting it and re-downloading the version from my website.

**Changing Rooms**

A changing room/secure room to leave bags would be appreciated if possible.

**Food**

**Nathan has a peanut allergy.**

**Traces are ok, but please avoid anything cooked in peanut oil.**

Sometimes venues have a standard meal timetable before the show where a warm meal is prepared and the team all eat together. If this is the case - amazing, thank you! - we're happy to join in whatever you usually do.

If this is not the case, some sandwiches and fruit would be greatly appreciated.

If food is usually a buyout, please let us know if we need to book somewhere local in advance or if you will book for us.

### TRIO

Please assume there will be 3 of us. We eat anything, however, cheese and onion sandwiches might be best avoided for the mercy of the audience.

### FULL BAND

Please assume there will be 7 of us. As we have some vegetarians, **we are all happy to eat vegetarian food** to make it easier for you.

### Drinks

Water for the stage would be appreciated.  
No need to buy bottles - tap water in a glass is ok.

The availability of tea and coffee with milk would be marvellous.

### Missed anything?

If there is anything you would like clarifying or if there is any other information you need, please do not hesitate to get in touch with me either via the chat function on my website or the phone number you may have received from Phil.

Many thanks in advance for looking after us and we're really looking forward to the show!

Josh & pals
